Public Comment

Laura Mohr owns property at 500 Myrtle Avenue and has been doing renovations for three years. Borough Council issued a waiver for refuse and sewer three years ago. Borough Council adopted an ordinance for properties being rehabilitated without being billed refuse and sewer with an expiration date of one year if the water service is shut off. Laura received a bill at a vacant rate from the borough for refuse and sewer for the May billing; she is requesting council to waive the billing decision. Borough Manager Brian Harris will consult with the solicitor to see what options we have and issue a letter accordingly.

Laura Mohr is working with individuals that have a grant through the Audubon Society and DCNR. They are looking at four municipalities in Perry County; Marysville, Duncannon, Penn Township and Rye Township. They have been given a grant from Audubon because it is an important birding area and because of our forested landscape. Laura is interested in getting some education to the local planning commissions and elected officials. Thursday, June 5, 2008 there will be a workshop at the Marysville/Rye Senior Center sponsored by Land Logic. At the workshop they will talk about the grant they received, zoning ordinance updates and storm water. A free dinner will be provided.

ENGINEER'S REPORT

Alpha Engineering will be dropping off revised plans and a revised storm water management report on May 13, 2008 for Rockville Estates for the Planning Commission meeting on Tuesday, May 27, 2008. The Rockville Estate time extension will need renewed by June 28, 2008 and will have to be acted on at the June 2nd council meeting.

Borough Manager Brian Harris is waiting to hear back from our attorney, Dan Altland regarding Trout Run. The CDBG grant must be used by June 15th.
