

**Marysville Borough Sewer Committee
October 9th, 2008
8:00 AM
Minutes**

1. Refuse Rates

Attached are the proposed refuse rates for the new trash hauling contract. Per the recommendations of the committee I calculated the rates as follows:

2009 Contract Price \$214,000
2010 Contract Price \$221,000 (3% Increase)
2011 Contract Price \$228,000 (3% Increase)

Total Contract	\$214,000
Customers w/ containers (added \$75 per quarter)	\$17,858
Businesses (\$50 more than residential rate per quarter)	\$9,500
Home Occ. (\$25 more than residential rate per quarter)	\$3,080
<u>Residential (\$45 per quarter)</u>	<u>\$213,120</u>
	\$243,558

The committee agreed to recommend the resolution adopting the above refuse rates.

2. Consumption Based Billing - Shall we revisit

Topic was not discussed.

3. USG- Lower River Interceptor.

The committee agreed to spend up to \$10,000 to continue cleaning the interceptor line to the sewer plant if USG would wait to bill the borough until the new year. This will avoid re-cleaning the portion of the line that was already cleaned.
