1. Trout Run Update

*Brian informed the committee that the draft Trout Run bid documents have been prepared. The committee recommended that if we can bid both the Trout run project and the Square project together that it would be wise to do so. Brian will contact Ron Brown and have Ron present an anticipated schedule of when the square engineering and permits can be completed. Ron will provide an update to council at the next meeting.*

2. Bridgeview Bed & Breakfast

*The committee discussed various options regarding how to bill the bed and breakfast. The committee recommended Brian amend the ordinance to reflect the monthly sewer rate per room for a motel, hotel or boarding room be adjusted to \$10.00. The current room rate per month is \$21.47. Brian will prepare the amendment and present it to the committee in January.*

3. George Vazquez

*The committee discussed the third account that George Vazquez is disputing. The committee recommended contacting Dan and asking Dan on how to proceed. Currently, it is believed to be occupied by Kevin Murphy but George is disputing that claim.*

4. Senior Center Trash Rates

*The committee recommended that Brian inform the Senior Center that they can purchase a 2 yard container for \$125 or use one tote which would cost \$115 per quarter.*
