

Marysville Borough Streets Committee
January 6th, 2011
8:30AM
Minutes

Chair: Roger Barrick Members: John Edkin, Allen Metzger

1. Street Sweeper

Needs Starter

- John said he would look at the sweeper to see if he can repair it.

2. Parking Meters

- Committee recommends stressing the four hour parking on the square. The vehicle must not be parked on the square for more than four hours. Vehicles cannot be moved to another parking spot to avoid the four hour parking.

3. Lights in Maintenance Area

- Roger will call Mike with Dauphin Electric to get additional information on the lights and installation costs.

4. Review Crews Timesheets

- The committee agreed that when the Maintenance/Sewer staff goes to Home Depot, Lowes, etc. only one staff person goes. If you are doing things within the Borough the staff can be in the same vehicle.

5. Review Equipment logs (travel)

- The committee agreed that the Maintenance/Sewer staff must utilize the borough car when picking up supplies that will fit into the car and for any other use that does not require the use of the truck. When the car cannot be used the F250 should be utilized.
- The committee agreed that the borough car is to be kept at the Treatment Plant for the Maintenance/Sewer staff to use.

Next Meeting Thursday, February 10th, 2011 @ 8:30am
