Scott told the committee after investigating the issue of a parking ticket that we can not take the street sweeper up this road because of no turn around. So Scott stated that he would pull the parking ticket.

Scott informed the committee that Dave's car receives a parking ticket every month due to always being parked in front of his house on street sweeping days.

John Edkin made mention that a issue was the same as last month but said it was his view and didn't need to be discussed.
