

Marysville Borough Streets Committee
August 7th, 2008
8:30AM
Minutes

1. Bittings Alley Paving Project

Brian informed the committee that the performance bond, payment bond, and proof of insurance was reviewed and is satisfactory. Brian, Ron Brown and Jay Fulkroad & Sons will be doing a walkthrough on Friday at 9:00am and then setting a date to complete the paving.

2. Ordinance 553 – Additional Stop Signs

- Maple and Spruce Street – 2 new signs on Spruce
- Laurel and Park Drive - 1 new sign on Laurel
- Bittings Alley and Funk Alley – 2 new signs on Bittings

Brian will advertise the Ordinance and put on the September agenda.

3. 613 Front Street

- Interested in Beers Alley

Brian informed the committee that they are interested in acquiring the alley in the back of their property that the borough does not maintain. Committee advised Brian to contact Dan Altland to see if it is legal or not.

4. 120 Valley Street Extension

- 15 minute Loading / Unloading request

The committee determined that the loading / unloading sign request be denied since it is a traffic hazard for vehicles coming off Valley Street.

5. Perry County Hazard Mitigation Plan Resolution

The committee requested the resolution be put on the September Council agenda.
