The committee discussed adding a storm inlet at the north east corner of the church parking lot off of the alley way. We have an inlet and top at the sewer plant to use and the cost would only be the hook up. Scott will take care of this.
- 2. Refuse Contract**  
The committee approved to move this line item to the work shop and council agenda for approval.
- 3. Spare Pump for New Pump Station (\$2,166)**  
The committee approved the purchase of the pump to keep as a spare.
- 4. Additional Cost to Pave Lansvale Street (96,912.00)**  
Scott is getting more information and will have this for the work shop and council agenda.
