**1. Street Sweeper**

The committee and some in the audience had a long discussion on how to handle the street sweeping. The discussion went from hiring a company to come in and street sweep for us to purchasing a new sweeper and so on. After all the discussion the committee moved to table this until November's meetings.

**2. Gilmore Construction (Antler Dr. curb and storm inlet repair) Getting more information**

Scott informed the committee that he is still researching this and that he talk to Dan Altland and they are working on what can or cannot be done.

**3. Ridgeview Drive and Park Drive Project**

Scott presented the time table the Greg Rosgalski our engineer dropped off. Along with the time table there is an updated prints and cost estimates. All are worse case seniors.

**4. Purchases of Truck, Sweeper, Skid Loader**

Scott asked the committee if we should go back to the long term planning for the replacement of some equipment. State that the skid loader could be put off for three more years until we replace it. The truck should be replaced in 2018 as scheduled. The Sweeper is tabled at this point
