After some discussion about the curb at 236 Park Drive the committee approved Scott to contact the resident once more and tell him we are going to replace or repair the curb for him and set up a payment plan if needed. Scott informed the committee that CMA is here this week to mill and level Park Drive and will be doing the final paving August 13th and 14th. CMA will then move up to Ridgeview Drive starting August 15th to prepare that street for final paving.
