1. Based upon this application in accordance with Section 15-301 of the Code of Ordinances, the Borough Manager may grant a permit for a person, firm or corporation to operate a vehicle in excess of 3 axle of weight upon the roads, streets and alleys under the jurisdiction of the Borough of Marysville upon the following conditions:
 - A. The applicant shall pay an application fee in the amount as may be fixed by Borough Council from time to time by resolution, to the Borough prior to the issuance of any permit.
 - B. The applicant shall post security, in a form approved by the Borough Solicitor, and in an amount determined by the Borough Manager, to cover the costs of repairs and restoration necessitated by the permitted movement of vehicles.
 - C. In order to determine the amount of security which may be required, the Borough Manager may employ the services of the Borough Engineer. The costs of the services of said engineer shall be the obligation of the applicant and the applicant shall pay said cost to the Borough prior to the issuance of any permit.
 - D. The permit shall designate the permitted vehicle or vehicles, the permitted weights of the vehicle or vehicles, the permitted route that the vehicle or vehicles may use, the dates and items that the vehicle or vehicles may operate., the material or items that the vehicle may transport, the premises from which the material or items may originate and the permitted destination of the material or items transported.
 - E. All operation shall be in strict conformance with the permit issued.
2. The Borough Manager shall deny an application when he determines that the operation of the vehicle or vehicles would create a hazardous traffic condition, or if other safety factors require denial.
3. Any person violating the provisions of Section 15-301 of the Code of Ordinances, upon conviction thereof, be sentenced to a fine of not more than \$600 plus costs and, in default of payment of said fine and costs, to a term of imprisonment not to exceed 30 days.
