Sewer Assistance

Low Income Household Water Assistance Program (LIHWAP)

Marysville Borough is now participating in the LIHWAP, offered by the State of Pennsylvania. The program provides one-time financial assistance for qualified applicants with delinquent sewer bills. Interested parties may contact the Borough Office for an application. The applications are being processed through the Perry County Assistance Offices on a daily basis. For more information, please contact the helpline at 1-877-537-9517 or check it out on the web at www.dhs.pa.gov/Services/Assistance/Pages/LIHWAP.aspx.

Police News

The Marysville Borough Police Department wishes our residents a happy and safe Holiday Season. Winter is here and we'd like to remind residents that street sweeping will continue on the scheduled street sweeping days if the weather allows. In the event of significant snow fall, residents need to obey posted Snow Emergency Routes to avoid having their vehicle towed. Borough Ordinance also requires sidewalks to be shoveled within 24hrs of the snow fall ending and prohibits snow being shoveled onto any roadway. If a fire hydrant is located on your property, please help by clearing snow away from the hydrants. In the event of large snowfalls, please use caution navigating borough streets and watch for pedestrians and children.

During the October Borough Council meeting, council offered a full-time patrolman position to Officer Jared Charles, which he accepted. Officer Charles was previously employed as a deputy sheriff for 8 years in Perry County and currently works part-time for Mifflin Borough Police. Before starting a career in civilian law enforcement, Charles served as a Military Police Officer In the United States Marine Corp. Charles currently resides in Juniata County with his wife and their children. If you see Officer Charles on patrol, please welcome him to our community.

Trends:

During winter months we historically see an influx in Domestic Assaults. More often than not, these Domestic disputes are fueled by alcohol and financial stress. This is the time of year when historically we see an increase in unlocked vehicles, garages and sheds being entered and items stolen. Please be vigilant and keep your vehicles and outbuildings secured at all times, do not make yourself an easy target for criminals.

Technology is making Identity Theft and Fraud cases more and more common and frequent. Please take the appropriate measures to safe guard your personal information. Do not give any personal information out over the phone. No government agency, including the IRS will call or solicit information over the phone. No law enforcement agency will call and inform you there is a warrant issued for your arrest and demand money. Please monitor your credit and bank statement for fraudulent activity and report any Incidents of Fraud or Theft to our Department.

Services:

Marysville Police Department has a Medication Drop Box. Any unwanted or unused medication in pill or tablet form can be dropped in the drop box located in the Marysville Borough Office. No liquid medications accepted. No Information is required from persons dropping off medication. The Borough office is open Monday-Friday from 7am-4pm. The other two drop boxes are located in the Perry County Courthouse in New Bloomfield and Pennsylvania State Police Barracks in Newport.

Marysville PD is offering our community a Special Needs Resident Registry. This program is for any Marysville Borough resident. The program is for residents with any special needs to include, but not limited to, Dementia, Alzheimer's, Autism, physical limitations, and electricity dependent (example: oxygen machine). Residents with such needs can complete a Special Needs Resident Data Registration Form. The form includes a current photo, name, address, physical attributes, medical summary, emergency contacts, and other information important to aid officers and other first responders during an emergency situation. Emergency situations could include medical emergency, missing person/wandering, natural disaster, power outage or other critical incident. For more information on this program, or to enroll yourself or loved one, please contact Marysville Borough Police or the Marysville Borough Office.

For the next group of Marysville Heroes, we will honor not only military heroes, but other heroes from Marysville(17053) past & present-any hero that a person feels they would like to honor from Marysville. There is a picture comparing the other hero to the military hero so you'll know what the other hero banner will look like. There is a separate application for military & other hero. The military banners have been well received and the other banners will certainly honor many other Marysville heroes.

Perry County Economic Development - Marysville Main Street Initiative

Main Street Committee Sign-Up

The Main Street program is a community based approach to revitalize downtowns. Investing in Perry County's downtowns creates pride, good economic health, support to local businesses, and it brings the community together. Downtowns reflect how the community sees itself, and it all starts with a time-tested framework to grow and transform them. The Main Street Four Point approach is a comprehensive strategic plan to help revive the downtowns.

1) Organization means building leadership. We want to ensure broad community engagement and forge partnerships across the county. Everyone working together is a crucial part to renewing our downtowns.

2) Design is creating an inviting atmosphere. We want to celebrate historic character and foster people-centered public spaces while improving the physical image of the downtowns as a quality place to shop, work, walk, invest, and live.

3) Promotion allows unique communication through storytelling. We want to support the "shop-local" experience. Creating excitement through means of marketing an enticing image to shoppers, investors, and visitors allows for more customer traffic.

4) Finally, Economic Vitality allows for us to cultivate entrepreneurship by building a diverse economic base while catalyzing new businesses. Long-term solutions are developed by analyzing market forces.

The Four Point approach is essential to making Perry County a better place. This is your community- we want you to be a part of cultivating it! Sign up to be a Main Street Committee member!
