

MARYSVILLE BOROUGH PLANNING COMMISSION
REGULAR MEETING MINUTES
November 27, 2018

Work Session:

Reviewed meeting calendar for 2019. Decided to continue the current schedule of a special work session on the third Wednesday and the regular meeting on the fourth Tuesday except for November and December. No special work session is planned for those two months and the regular meetings will be on the third Tuesdays, 11/20/19 and 12/18/19.

Discussed the Multi-Hazard Mitigation Project Opportunity Form with Jason Finnerty. Projects which are submitted by the borough are more likely to receive FEMA funds.
