Minutes

Chair: Steve Copp Members: Allen Metzger, Larry Little

Operators: Lonnie, Peter

Long Term Planning:

Flusher trailer – Scott is to get quotes for the next committee meeting.

Meeting started thirty minutes late due to the streets committee running over.

1. Sewer Separation Project

Scott reported that everything for this project is in motion and going smoothly. Our crew are camera the sewer lines prior to the separation to locate the laterals. The financing is going through and the engineering will be ready for a November bid timing frame.

2. MS4 Permitting

Scott reported that he has to walk fishing creek to locate all the piping that discharge to the creek. Scott plans on doing this the second week of May.

3. Hydraulic Motor and Pump (1,844.00)

The committee approved to place this line item on the finance committee and council agenda for approval.

4. Flow Meter (1,750.00)

The committee approved to place this line item on the finance committee and council agenda for approval.
