

Marysville Borough Streets Committee
March 5, 2018
1:30PM
Minutes

Chair: Steve Copp Members: Dave Magee, Lance Barthel

Maintenance Men: Robert Laman, Ken Miller

Dave Magee had two issues he wanted to start the meeting with. One cracks at the seams of the new black top on Maple and Linden Avenue. (Scott reported that once the weather breaks we will use our tar buggy to seal the cracks) Lance asked to do the drain in his parking lot as well, since that was part of the project and is not sealed correctly. Second was that no one contacted the school about Park Drive detour. (Scott reported that he had sent them notification, but that it was short notice. Ken said that the buses did get through that area when he was on site. Dave said the elementary buses had to go around).

Lance asked about flying stop signs and the damage on vehicles. (Scott will check with Dan Altland to get an answer).

Long Term Planning:

Streets (Lincoln from Front to Cameron, Kings Highway bridge to Park, South Main from Mill Ave south to Borough line, Front Street from Broad to Greenbriar, Leonard Street, Maple Ave 700 block, and all alley's)

The committee agreed to look at South Main Street at the borough line to add to paving this year if we have the proceeds.

Trucks/Equipment:

Skid Loader Replacement in 2020

2014 Dump Rechassic Replacement in 2021

1997 Large Dump Truck Replacement in 2019

1. Ridgeview Drive and Park Drive Project Review

After some discussion and tense moments the committee agreed to not do the change order and to pave to get the slope to remove puddling. There are two driveways that will have to be reconfigured to not have them running the drive way out onto the road. Scott and Greg will work with the home owners on this issue. The committee agreed not to go more than ten feet onto the home owners property.

2. Driver Feedback Sign (possible grant through police)

Scott reported that Chris Still is looking for a grant for the sign.

3. **116 Ridgeview Drive, Open House 90th Birthday March 10, Parking**
After some discussion with the committee and Aaron Richards the police chief the committee agreed to allow parking on both sides of the street for this celebration. Aaron will contact the requester.

4. **Street Sweeper**
After much discussion and what we are going to have to do for the MS4 requirement the committee asked Scott to get a new quote on the Tymco model 435 sweeper that we received a quote from last year. The committee also as Scott to see what option there are for leasing or loans to purchase the sweeper.

Next Meeting Monday, April 2, 2018
