Skid Loader Replacement in 2020

2014 Dump Rechassic Replacement in 2021

1997 Large Dump Truck Replacement in 2019

1. Ridgeview Drive and Park Drive Project Review

Construction is scheduled to start April 9th on Park Drive. Greg Rogalski reported that he has spent a lot of hours with Terry Kline for the Lions Club. They have been working on the easements for the storm water control. The Lions Club has hired their own contractor to install the curbing. The date given to the Lions Club is April 16th as the day the curb has to be installed. The committee asked Scott to send a registered letter to the Lions Club, Terry Kline and the Lions Clubs solicitor letting them know that April 16th is there one day to install the curb without holding up the road construction. The committee approved the easement and installation of drainage material as per plan.

2. Driver Feedback Sign (possible grant through police)

Scott reported that his sign is much more expensive than first thought. Chris Still our police officer is working to find a grant to cover the cost of the sign.

3. Curb Letters Sent for Park and Ridgeview Drives

Scott reported that he sent the letters and he is getting some feedback.

Next Meeting Monday, May 7, 2018
