

Marysville Borough Streets Committee
September 4, 2018
1:30PM
Minutes

Chair: Steve Copp Members: Dave Magee, Lance Barthel

Maintenance Men: Robert Laman, Ken Miller

At the start of the meeting Mr. and Mrs. Noss addressed the committee about the issues they are having with PPL and the address or street name of Valley Street Extension. After much discussion Scott said that he would try and work with Mrs. Noss and contact PPL to try to straighten this out. Scott will send them a borough map showing Valley Street and Valley Street Extension.

Long Term Planning:

Streets (Lincoln from Front to Cameron, Kings Highway bridge to Park, South Main from Mill Ave south to Borough line, Front Street from Broad to Greenbriar, Leonard Street, Maple Ave 700 block, and all alley's, South Main at boro line)

Trucks/Equipment:

Skid Loader Replacement in 2022

2014 Dump Rechassic Replacement in 2021

1997 Large Dump Truck Replacement in 2020

Tar Buggy

1. Driver Feedback Sign (tabled for now)

The committee talked about the speed issues we will have once the roads are all paved.

2. Equipment Sharing with Duncannon

Tabled for now and Lance to invite Duncannon to one of our meetings

3. Frank Boyer Property

The committee had a lengthy discussion on this subject and then watched the pre-construction video and determined that the issues that Mr. Boyer has was there prior to the construction project and that we will not fix his issues. Scott will send a letter stating the finding of the committee.

4. Park and Ridgeview Drive Project

Greg Rogalski the borough engineer went over the project and the expenses. Greg stated that the project came in a little over the bid price due to the blacktop escalation from the time of bid to placement. It was a 13% escalation in costs.
