January 9, 2023

6:00 p.m. Work Session

Interviewed 5 candidates for the Borough Council vacancy to fulfill the vacant position until December 31, 2023, until such time as formal Elections will be held.

1. Each Candidate gave a brief explanation of why they were interested in the Council vacancy.

 - b. Scott Artley
 - c. Jeanne Hanna-Bentz
 - d. Kevin Steele
 - e. Brett Burnell

2. Brush for Skid Loader
Councilmember Webster, Chief Richards, and President Barthel were at a second Train Derailment in six weeks, and a third in two years. No one was notified in Borough of Marysville. There were several layers of mud. Borough Manager Border visited the site and it was not as bad yesterday. Norfolk Southern (NS) had done a lot of cleaning. Mr. Border also stated he made a contact in Senator Casey's Office and was told basically for us to do what we needed with the Fire Department and whatever we needed and bill Norfolk Southern. Councilmember Webster explained in detail that we would not have known about it until the next morning the road was closed completely. It came to our attention through East Pennsboro's EMA. Anything that happens on South Main and the East Pennsboro's companies that come to mutual aid know to automatically use River Road. NS had 15 vehicles on River Road, from Dump Trucks, Trash, Backhoes, Trucks, etc. Roads were damaged. Consulting with Legal Counsel to take further action. Council is seriously concerned about the entire situation. Councilmember Edkin felt at one time there was a limit of 100 cars, but feels far more are being used now.
