

BOROUGH OF MARYSVILLE
Council Meeting Minutes
February 8, 2021

6:00 PM Work Session

Zachary Border said he received quotes for the pole building, one at \$111,000.00 from Fisher Brothers Concrete and one for \$200,000.00 from Morton Builders. These quotes are just for the building.

MS4 Financing Option

David Magee gave a summary on the discussion of MS4 financing options. Council could lower the milage to two tenths to four tenths of a mill from general fund.

The committee thinks council can manage the MS4 financing without a tax increase.

PennVest may be offering a grant for MS4. Go in expecting a loan however could be a grant. The borough can bill for MS4 three different ways, a flat rate fee, impervious or pervious. The borough will not be charging nonprofits for MS4 if done by milage increase.

Council does not want to charge the community for anything further.
