John Fasnacht of 21 N. Main Street said he has had tractor trailers on North Main Street as well. Can they be ticketed for being on North Main Street? David Magee suggested he contact the Police Department of the PA State Police when this happens.

John Fasnacht said this past Saturday there was an event at Liquid Noise. He said he didn't think an alcohol establishment was aloud to have music outside. The music ended around 10:30pm. John said he reported them to the LCB and haven't heard anything back from them.

Richard Chorba of 117 Ridgeview Drive said this was the second time they had music outside. He could hear the music and feel the vibration in his house.

David Magee asked Zachary Border to contact Dan Altland to see what can be done. The noise ordinance is from 10:00pm until 7:00am.

David Magee asked Zachary Border to contact the City of Williamsport for a copy of their fireworks ordinance.
