Parks and Recreation Agenda August 1, 2022 6:00 PM

The Park and Recreation Meeting was called to order at 6:00 PM on Monday, August 1, 2022, at the Marysville Borough Office. Present were Chair, Charles Wentzel and Committee Members Jackie Zulli and Leigh Ann Urban. Also present was Borough Manager, Zachary Border.

New Business

1. Mulch at the Playground

Zach presented a quote from Zeigler Brothers for wood carpet and the Committee decided to move the purchase to the Council Meeting.

2. Halloween Trick or Treat

Trick or Treat will take place on Oct 27th with a rain date of Oct 31st. Charles asked if the Borough would need to do anything besides advertise the event and Zach said no, the only thing that would need to be done would be to make an announcement if it was raining and the event was moved to the rain date. This decision would be made by 3:00 pm the day of the event.

3. Halloween Parade

Charles wanted to start to planning the event now and asked Zach what needed to be done. Some of the things that need to be done are securing sponsors for the parade, advertising the parade, getting judges, getting participants and making sure everything was running smoothly the day of the event. Once Brittany starts, Zach would like to get her involved in helping to plan the parade.

4. National Night Out

National Night Out is usually the 1st Tuesday in August and always conflicts with the Lions Club Carnival. The Committee decided to do an event in October and

call it Marysville Emergency Services Day. Planning for this event would start early next year and take place in October of 2023.

5. Pool Report/Events

Zach reported that the glow party will take place on August 12th as a fundraiser for the pool. The Borough has come in above revenue projections for the pool season.

6. Newsletter

Zach advised that the Fall Newsletter would be out at the beginning of September. Zach also brought up the fact that Dave had heard that paper was going to have a huge cost increase and asked if there was interest in changing to an online newsletter. There was discussion among the Committee that if the change was made, 2023 would be a great time to start. The Committee decided to send this to Council for a decision.
