#### **New Business**

1. Pickleball  
No public came to discuss pickleball Charles suggested that if someone was interested in doing pickleball that they should raise money and that the borough would be supportive in any way.
2. Trees (Path Heritage Park)  
Zach presented the committee with a couple of quotes for tree removal and trim. At Heritage Park, we received complaints about the large maple and the branches hanging over one of the homeowner's property and so a tree person did come out and look and recommend the tree be removed instead of trimmed. The other three trees were at Lion's Club Park 2 of the trees along the path are dead and need to be removed. The other is part of the grant project that needs to be trimmed for the crane to get into the project area. The committee decided to send this to the finance committee.
3. Picture Perry  
The projects were reviewed and no changes were recommended so they will be sent to the council for final approval.
4. Heritage Park  
John Fasnacht gave a list of concerns he had at Heritage Park and the committee decided to have the road crew go and fix up some of the maintenance issues such as signs and keeping the bank trimmed. Some of the other issues could be addressed by getting some grant money to help spruce up the park.
