#### **New Business**

##### All You Can Eat Breakfast

The committee agreed to have a breakfast/brunch on a Sunday in October. The date has yet to be determined.

##### Mulch for Playground

Scott said the mulch is ordered. We are waiting for it to dry out and then it will be delivered.

##### Local Business Sponsorship for Basketball Hoops and Playground Equipment

The committee agreed to have Kim order basketball hoop rim/wire mesh and mats for under the swings. The committee liked the idea to have a local business sponsor playground equipment. The committee will look for the equipment they would like to see at the playground and bring it to the next committee meeting. Charles said there is a hand hold missing from the climbing wall and asked if we could order a replacement. Kim will look to see if we can get the replacement part.

##### Ideas to Increase Resident Attendance at the P&R Committee Meetings

The committee discussed ways we could get more residents involved. It was suggested to hand out fliers at the pool.

##### Community Day at the Pool/Lions Club

The committee agreed to schedule something for next year, so we have more time to plan the event.

##### Teen Center

Ronda mentioned she would like to see a teen center in the borough. The teen center would be a place where teens could go to talk, play games and hang out. The center would need to have an adult volunteer chaperone. The committee thought this was a good idea. The committee suggested using the library or borough hall to start and see what kind of turn out we would have. Ronda is going to make up a flier/questionnaire for the 3<sup>rd</sup> quarter newsletter and distribute at the pool for feedback.

## **Old Business**

1. Brew Grass Fest 2019 – Additional Information Needed
  - The committee agreed to try to go to a Moose meeting and see if they would be interested in doing this function together.
2. Rockville Bridge Drop
3. Fundraiser Ideas for the Pool
  - Ronda started off with an idea of summer camp for ages 8 to 12 years old and have them for 8 hours of the day. This program would run the entire summer with 4 hours of educational/games/ outdoor activities and the other 4 hours at the pool. Discussion followed about costs, time frame, employee's versus volunteers. Scott will check with East Pennsboro Township to see how they run their program and if it's for profit or break even.
