## **New Business**

### **John Fasnacht – Sign at Heritage Park**

John Fasnacht spoke about concerns he has when jet ski/wave runners are on the river. He said they are not abiding by the 100-foot wake zone rules. This erodes the banks along the river. John asked the committee if they could put a sign at Heritage Park stating “No wake zone of 100 feet of the bank”.

Ronda asked Zach to contact the Fish and Boat Commission to what the regulations are and if they have signs available.

There was discussion about changing the signage at Heritage Park to say boat launch or river access and not use the word park.

Ronda said this could be discussed at the council meeting on Monday. She requested to have pictures of all the signage at the park for the meeting.

### **Pool**

Kim and Rich updated the following to the committee on the pool.

- The pool will be open to members only while we are in the yellow phase. Once we are in the green phase the pool will be open to members and daily passes.
- The slides will be closed for the season.
- There will be no pool parties or swim lessons.
- There will be hand sanitizing stations.
- Plexi glass will be installed at the concession stand area.
- The members must follow CDC guidelines.

The committee agreed to keep Marysville Borough residents pool memberships at half price the rest of the pool season.

Rich gave the committee an update on the new pavilion at the pool.

Ronda suggested selling t-shirts for a pool fundraiser. Rich suggested selling beach towels. Kim will contact R&K Subs to put together a sub sale.

### Playground Equipment Grant

Zach said there is money available through the CDBG grant. He said there is a hearing on Wednesday, June 3<sup>rd</sup> at 6:00pm to go over what the money can be used for. The grant application is due by June 30, 2020. The committee requested this item be put on the work session for the council meeting. Ronda asked Zach to give everyone the list of items the grant can be used for.

Zach said he talked to Seda-COG and there is separate funding called Cares Act in 2021 and this would cover the COVID-19. He said possibly we could request money for all the pool expenses.

Ronda suggested a community garden at the Lions Club and classes could be offered on how to can vegetables and cook.

### Plaque or something to commend Eagle Scout and other projects in the Lions Club Park

The committee agreed to place a plaque at the site. The plaque should have the project listed and the name of the Eagle Scout.

4. DCNR Grant
  - Come up with some ideas for applying for a grant in 2021.
  - Invite Greg with Pennoni to the meeting for his guidance.
5. Brew and Wine Grass Fest 2021 – Beer and Wine Garden

This was tabled until William has met with LCB and Ronda can attend the next meeting for further discussion.

The committee met with William from the Marysville Moose Lodge. William said the lodge is interested in having the event jointly. Below are some of the items that we discussed:

- Kim will ask Dan if the Parks and Recreation can participate or if it will need to be run through the Foundation.
    - From Dan: Attached is a copy of an advisory opinion from the LCB which is helpful. It is not exactly on point because it dealt with a catering club licensee, but is a good start. It confirms what I said about charging an admission fee being OK so long as it does not include any alcohol. The other thing is it looks like the event sponsor will have to be the Moose since it is licensed. But, the Foundation can supply help etc. and the Moose can donate some proceeds to the Foundation.
  - William said he can apply for the special event permit. The cost is \$25.00.
  - William said he has contacts for some Blue Grass Bands
  - Kim will check with the Lions Club for a date in September 2020
  - Time of the event will be 11:00am – 4:00pm
  - Food Trucks
  - Vendors
  - Admission Fee – William said he will check with Buddy Boy Winery and see what they usually pay to setup/attend an event
  - Need a map of the setup of the Lions Club
  - Portable Restrooms
  - Fencing
  - Wristbands – two colors (one for under 21 and one for over 21)
6. Teen Drop Inn Center
    - Survey link was included in the newsletter.
  7. Walk way to park

#### 8. Fundraiser Ideas for the Pool

- Ronda started off with an idea of summer camp for ages 8 to 12 years old and have them for 8 hours of the day. This program would run the entire summer with 4 hours of educational/games/ outdoor activities and the other 4 hours at the pool. Discussion followed about costs, time frame, employee's versus volunteers. Scott will check with East Pennsboro Township to see how they run their program and if it's for profit or break even.
