Kim asked Terry Kline if we could use the bleachers from the Lions Club for a seating. Terry said that shouldn't be a problem but he will check with the Lions Club Board members.

The committee agreed to have the maintenance staff do the following:

### Lions Club Lease

The following items were discussed with Terry Kline regarding the lease:

- 40-year lease
- David's walk/trail (this would allow the borough to apply for grants.)
- Pond (this would allow the borough to apply for grants to clean the pond and it could benefit the MS4.)

- Use the borough's crack sealer and have the borough's maintenance staff seal the cracks in exchange for three to four free rentals to hold park and recreation fundraisers.
- Parking area by the pool.
- Grass mowing and weed whacking of the ballfields.

Terry Kline said he is in the process of laying out repair plans for taking care of the root issues. He is thinking about mitering it out and repaving. Terry said he would like to relocate the walk behind the bakery because of the drop off.

The committee agreed to put this on the work session for Monday night.
