August 3, 2020
2:15 PM**

The Sewer & Sanitation Committee Meeting was called to order at 2:30 pm on Monday, August 3, 2020 at the Marysville Borough Office. Present were council members Lance Barthel, Dave Magee and Steve Copp. Also present were, Borough Manager Zachary Border, Borough Engineer Bill Rudy, and Operators, Lonnie Sarver and Pete Boele

New Business

1. Underground Storage Tanks

The committee was informed that the underground storage tank failed inspection visually. The committee was presented with a quote from Keystone Petroleum Equipment with a list of repairs that would need to be made in order to pass inspection. The committee then recommend this sent to council to be approved.

2. Quote to install new panel at lift station 3

This quote was to install the new panel that was purchased. Lonnie mentioned that the panel was not in yet but he wanted to be prepared for when it does come.. The committee recommended this be sent to council for approval.

Old Business

1. Tapping Fee Increase

Bill reported that Greg has started the process and will have an update at the September Meeting

2. Flow from the trailer park

Zach reported that he met with the borough engineer borough solicitor and Pete to discuss the next steps. It was decided that a letter should be sent to the owner of the trailer park and to PMI who manages the property letting them know the problem and giving them an opportunity to fix it. Pete also reported that the borough is borrowing a flow meter from PA Rural Water that will be installed to show the amount of water coming through.

3. North Main Sewer Main Project Update

Lonnie reported that the material that ABLE Inc. is using for the project is on backorder and as soon as it is in ABLE will let the borough know when they can start the project.
