

# Marysville Borough Sewer & Sanitation Meeting Minutes October 7, 2019

Chair: Steve Copp

Members: Larry Little, Lance Barthel

Operators: Lonnie & Peter

In attendance: Lance Barthel, Kim Charles, Steve Copp, Greg Rogalski and Lonnie Sarver

## **Long Term Planning:**

Cleaning out the SBR's after Sewer Separation Project

Replace Mixer's

Replace Decanter's

## **New Business**

### Hydraulic Cylinder Steering (Emergency Purchase)

This was an emergency purchase in the amount of \$1,485.07

### Purchase New Hydraulic Cylinder - \$1,623.54

Lonnie explained to the committee why this purchase was needed. The committee agreed to put the item on the council agenda.

## **Old Business**

### Upgrades at Pump Station #2

Generator Pad - \$10,000.00

- Lonnie said he would like to have the generator pad done before winter. The committee agreed to have this placed on the Finance Committee Agenda.

Generator - \$25,500.00 & New Panel and Labor - \$40,000.00

- Kim said if the company is Costars, we just need their contractor's number. Lonnie said he will get the number.

### Sewer Main along River

Greg said we will keep an eye on it until next year. The committee discussed using money from the capital reserve fund to pay for the project.

### Lower Hydraulic Loading (engineer study)

The committee agreed to remove this from the agenda

### Advanced GeoServices

The committee agreed to remove this from the agenda.

**Other Business** - None

**Public Comment** - None
