

Marysville Borough Sewer & Sanitation Committee
February 5, 2018
2:15 PM
Minutes

Chair: Steve Copp Members: Larry Little, Lance Barthel

Operators: Lonnie, Peter

Long Term Planning:

Cleaning out the SBR's after Sewer Separation Project
Replace Mixer's
Replace Decanter's

- 1. Sewer Separation Project, Bidding Project Results (Easements)**
Greg Rogalski gave the committee an outline of the bid that we received. Handed out a copy of all the bidders and what they have bid. The winning bidder is Joao & Bradley Construction Co. Inc. at a cost of \$2,055,000. We also talked about the easement that is needed for the pump station and that cost would come out of the bond money. The committee moved to place all the above on the council agenda for approval.
- 2. MS4 Permitting (Application 9/15/17)**
Greg Rogalski stated that the state is about one year behind on the permitting process. But that we should continue to do what we are doing now.
- 3. Refuse Contract**
After much discussion the committee approved to place this on the council agenda to be advertised. Scott stated that he would work with the solicitor to complete the bid package.
- 4. Valve Replacement after Decanter (done, info only)**
Scott informed the committee on what was completed at the sewer plant involving the valves.
- 5. Electronics Recycling Pledge Form**
The committee approved Scott to go ahead and send in our Pledge.

Next Meeting Monday, March 5, 2018
