1. Salt Spreader for New Truck (\$5,100 installed)

After a short discussion the committee approved to place this line item on the council agenda.

2. Lions Club along Park Drive

Terry Kline was here to represent the Lions Club and he wanted to discuss the maintenance of the property along Park Drive. Terry stated that the Lions Club doesn't have the means to properly maintain the grass and weeds after the construction project was completed. Scott stated after Greg gets back to work that they would walk the property and correct some of Terry's issues. The committee wants this line item on the work shop portion of the council meeting.

Terry also wanted to talk about the grass and weed ordinance and that the Lions Club was not or should not be part of that ordinance. The committee wants to add to the work shop portion of the council meeting.

3. Paving of Streets (Priority List)

The committee discussed the priority of the street paving and did not come up with the list at this meeting. They want to see what the figures are that they have to work with first.
