## **Trucks/Equipment:**

Skid Loader Replacement in 2022

2014 Dump Rechassic Replacement in 2021

## **New Business**

### Generator for Traffic Light

Ken said he met with Perks and the red light can be hooked to a generator. The generator size would be 2,000 watts. Chris Still is looking for one.

### 30 Cubic Yard Leaf Collector – Municipal Equipment Sales.com

Kim told the committee Lance would like to have this placed on the work session. There was some discussion concerning what size truck would be needed to pull the leaf collector. Ken said this is not going to help with plowing the snow. The committee feels a new truck needs to be purchased however; agreed to put this on the work session.

### Red Light Camera

Kim said Perks fixed the camera and it will cost around \$3,000.00.

### 2013 Truck

Ken said he took the truck to Maguire's Ford and the exhaust manifolds are cracked. It will cost \$3,000.00 of the bolts can be removed off the heads if not it could cost up to \$6,000.00. The committee asked Ken to check with a couple of other places for prices.

## **Old Business**

### Road Project – Jay Fulkroad and Sons

Greg said Fulkroad did come back and finish the paving. The paving is complete. The borough is still waiting on them to come back and paint the lines.

#### Suez - Paving of streets (Linden Ave & Maple Ave)

Greg said the main is done and is going to work on the services. Suez is requesting council to approve the road construction to be done in the spring. The committee agreed to put this on the council agenda.

#### Andrew Brashear - 511 Lansvale Street – Sidewalk

Ken said he met with Porter Construction and they will be replacing the sidewalk this week or next.

#### Bridge Inspection South Main over Fishing Creek

Greg said there was no change in status.
