1. Park & Ridgeview Drive (Pay App #5) (Punch List)

Scott and Greg presented a punch list that the two of them came up with to correct the drainage issues. The borough will withhold \$4,000 until the corrections are complete. Still looking at the fix for the driveway at 234 Park Drive, we will use the contractor from the paving project to complete this work.

2. Paving of Streets (Priority List) (possibly pushed off until spring of 2019)

The committee and all in attendance had a lengthy discussion on what roads need to be on the list and in what order. The committee agreed to have Greg, Scott, Ken and Rob look at the streets listed and prioritize them and measure and figure the cost per street to repair. This work will not be completed until the 2019 paving season.

3. Mowing along Park Drive Lions Club Property

The committee approved to place this line item on the council work shop and new business.
