**1. Ridgeview Drive and Park Drive Project Review**

Scott stated that the project had started today. Too early to tell how things are going to go but first impressions it looks like we have a good contractor. Scott is working with the residence that need to replace or repair there curbing.

**2. Driver Feedback Sign (possible grant through police)**

No movement on this lately.

**3. Curb Letters Sent for Park and Ridgeview Drives**

Scott reported that he did hand deliver all but one letter to the residence. Most of them understood our position but were not the happiest. Some have started to work on them so it's going to be a process.

4. Equipment that can be put out of bid is the old pump off the fire truck and the old street sweeper. The committee agreed to add them to the council agenda.

5. The committee asked to have prices on a new tar buggy for the work shop on Mondays council meeting.

**Next Meeting Monday, June 4, 2018**
