

**Marysville Borough  
Streets Committee Minutes  
July 1, 2019  
1:30PM**

Chair: Steve Copp    Members: Dave Magee, Lance Barthel  
Maintenance: Robert Laman, Ken Miller

In attendance: Kim Charles, Steve Copp, Rob Laman, Dave Magee, Ken Miller and Bill Rudy

**Long Term Planning:**

Streets (Lincoln from Front to Cameron, South Main from Mill Ave south to Bed & Breakfast, Front Street from 508 to Greenbriar, Maple Ave 700 block, Adams Avenue Valley to Cameron)

**Trucks/Equipment:**

Skid Loader Replacement in 2022  
2014 Dump Rechassic Replacement in 2021  
1997 Large Dump Truck Replacement in 2020

**Roger Barrick – Top coat final phase for the borough to take over**

Roger would like to top coat the final phase at Whitetail Crossing this year and have the borough take over the road. Bill Rudy of Pennoni said he will prepare an inspection check list to go with Roger to make sure everything is complete. The check list will be scheduled for next month.

**Frank Boyer – Sidewalks - Update**

Ken said Lance, Greg and I looked at the sidewalks and nothing will be done.

**Suez - Paving of streets (Linden Ave & Maple Ave)**

Ken said he spoke with Suez and the manager will get back with him this week regarding paving the streets. The streets must be paved curb to curb and not patched.

**Bryan Christensen – 305 Valley Street – Reduction of Speed Limit**

Katelyn Piestrak would like a support letter from borough council to reduce the speed limit on Valley Street from 35 MPH to 25 MPH. This would possibly help them get approval from PennDot to have a driveway. Please see the file for additional information on the driveway. The committee recalls the previous owner requested a traffic study as well and was denied.

The committee said the we can pull Ron Robert's file to see what the outcome was when he applied. The committee said they would get back in touch with her.

#### Bridge Inspection South Main over Fishing Creek

Bill Rudy said Pennoni prepared a letter of response to let them know there is a plan in place.

#### Deb's grandson – Community Service – paint curbs on the weekend

The committee was concerned about not have any supervision with borough employees available on the weekend. Deb's grandson would also need to get all clearances needed and that could take up to four to six weeks. The committee requested this to be put on the work session.

#### Police Garage

Ken said he needed to get stamped prints to get quotes. The cost was \$400.00 to get the prints. Once Ken receives the stamped prints, he will get the quotes.

#### Lawn Mower

Rob presented the committee with quotes for a new lawn mower. He said the current mower is 11 to 12 years old and it needs replaced. The committee agreed to add this to the Finance Committee for review.

#### Paving on South Main Street

Ken asked the committee if the paving could be extended another 200 linear feet and this would take the paving to the plant while the contractors are still in the borough. The committee agreed to extend the paving since we could use the extra \$30,000.00 from the project. Bill asked Ken to mark off the area and he will meet him there to go over everything.
